	Reading Level Assessment	

The number of students who passed each alternative assessment is denoted in this column. If the approved alternative assessment was not used, N/A is shown. If the number of students
who passed the alternative assessment is fewer than ten students, an asterisk (*) is shown.

Privacy policies dictate that for less than ten students, the speci ic number and percentage should not be given. An * indicates that the student population number and percentage is too
small to report the value. The percentage and number of students are not shown if the percentage is greater than 95 percent (>95) or less than 5 percent (<5).
